

Monitoring and Treatment

WTC Health Program

The FealGood Foundation, in conjunction with the WTC Health Program is traveling the USA, reaching out to those affected by 9/11 and its aftermath, and educating them.

**January 29th  
1:30 PM**

**Free 2-Hour Seminar  
Coffee, Cake, Knowledge**

***Did you travel to Ground Zero on 9/11?  
Pentagon? Shanksville, PA?  
Do you know someone who did?***

***Were you involved in the rescue, recovery and clean-up efforts in New York City, the Pentagon or Shanksville on 9/11 or the following months, or were you in NYC at the time?***

***The James Zadroga 9/11 Health and Compensation Act of 2010 was written to help all those affected by 9/11 and its aftermath to provide free medical screening, and to help diagnose and treat covered health conditions like 9/11 cough, certain cancers, breathing issues and other illnesses.***

***Location: 'Echoes Under Sunset'  
1310 Glendale Blvd., Los Angeles***
